ABOUT ME

Dynamic and innovative Front End Developer with 3+ years of experience in designing and implementing responsive, user-friendly web interfaces. Proficient in modern front-end technologies, including HTML5, CSS3, JavaScript, and various frameworks/libraries such as React.js, or Angular. Adept at collaborating with cross-functional teams to translate design wireframes and prototypes into polished, production-ready code. Skilled in optimizing website performance and ensuring compatibility across multiple browsers and devices.
